**Note: COVID restrictions may change a number of factors around games &/or registrations in 2022. The NSG Skills and Under 8's and Under 9's games will again be played on a Friday evening. Other time slots may need to be adjusted to allow for numbers and time to clear the courts. By registering, you understand that Souths Netball Club will abide by all safety rules in place for the season and that as a registered player, you will also be committing to those guidelines.**

### STEPS TO REGISTER:

1. Complete PlayHQ registration [www.southsnetball.asn.au](http://www.southsnetball.asn.au) and pay registration – **NOTE: registration fee must be paid by credit or debit card at the time of registering. If you need to pay in cash or require assistance with payment of fees or have a Souths Registration Voucher, you must email the Registrar at [snlnetball@hotmail.com](mailto:snlnetball@hotmail.com) BEFORE you register.**
2. New players (under 18yrs) must either email a copy of their birth certificate to [snlnetball@hotmail.com](mailto:snlnetball@hotmail.com) or bring it to Souths Leagues Club on the face-to-face registration evening.

Late Registrations will only be accepted in exceptional circumstances (and will be dependent upon team numbers and vacant positions).

**Souths Netball will not provide refunds of registration fees after age grading has commenced unless a player cannot be placed in a team. Please NOTE that due to the changes to the Registration system we are only able to refund the Souths Netball portion of the fees and the player will need to request refunds for the remaining fee from Netball NSW and NNA.**

With the roll out of the new PlayHQ registration system, NSW Netball and Newcastle Netball Association have changed the way the playing age groups are named, for example players turning 10 in 2022 will now play in the "Under 11's" age group. To assist our members in ensuring that players are registered in the correct age groups the below table shows the new age group name, along with old naming convention and the years of birth that applies to each age group.

**Junior Grading:** All players, Under 10's (9 years) and above, will be graded by our Club according to ability. It is **compulsory** to attend grading if you wish to be considered for placement in a team. If you cannot attend Club grading, you will be required to notify the Club via email and you will be 'paper graded' and placed in a team if you cannot attend an alternate session. Please check the list of dates for your diary on the website. Please see the Club Policy document for more information.

**\* It is impossible for us to grade or form teams based on social groups for players in the Under 10-16's teams. However, if there is a significant reason a child needs to play with specific players we will take that into consideration, please email [snlnetball@hotmail.com](mailto:snlnetball@hotmail.com) prior to grading with the subject line: Grading Request or make a note on your registration form. Please refer to the Souths Netball Policy for more information on team formations.**

Players in the above age groups who wish to form their own team can submit an independent team directly to NNA.

**Team Formation for Under 18's/Under 22's/ Seniors:** Court grading will be held for Under 18's Under 22's and Senior teams in order to facilitate placement of players new to the club into suitable teams and to assist the committee to recommend appropriate grades to NNA once teams are formed.

Individual players seeking placement with a team will be placed in a suitable team where possible, but you must understand that in seeking to join as a member of Souths Netball, you agree to attend 70% of games and to undertake your umpiring and canteen duties.

**Please note: due to the size of our club we are unable to accept fully formed new teams of new members.**

Teams playing in a graded competition who play in the grand final will receive a commemorative gift at the end of season presentation night. ***This year again, instead of a presentation attendance gift, all players registered and paid by 3<sup>rd</sup> February 2022 will receive a club training t-shirt upon registration.
