Please check the list of dates for your diary on the website. Please see the Club Policy document for more information.

*** It is our policy for us to grade & form teams NOT based on social groups for players in the 9s-15s teams. However, if there is a significant reason a child needs to play with specific players we will take that into consideration, please email snlnetball@hotmail.com prior to grading with the subject line: Grading Request or make a note on your registration form. Please refer to the Souths Netball Policy for more information on team formations.**

Players in the above age groups who wish to form their own team can submit an independent team directly to NNA.

Team Formation for 17s/21s/ Seniors: Court grading will be held for 17s, 21s and Senior teams in order to facilitate placement of players new to the club into suitable teams and to assist the committee to recommend appropriate grades to NNA once teams are formed.

Individual players seeking placement with a team will be placed in a suitable team where possible, but you must understand that in seeking to join as a member of Souths Netball, you agree to attend 70% of games and to undertake your umpiring and canteen duties.

Please note: due to the size of our club we are unable to accept fully formed new teams of new members.
